

# Nomination form for 2014 Division of Physical Chemistry Awards

Date:

This nomination is for the award in (check one):

Experimental Physical Chemistry:

Theoretical Chemistry:

Check here if the nominee is to be considered for the "Early-Career" award:

## NOMINEE'S INFORMATION:

Name:

Institutional affiliation:

Address:

Email address:

ACS Membership number:

Member of the PHYS division: \* Yes  No

Previous national awards from professional societies: \*

## NOMINATOR INFORMATION:

Name:

Affiliation:

Email Address:

## SECONDER INFORMATION:

Name:

Affiliation:

Email Address:

Has the nomination been discussed with the nominee? Yes  No

## SUGGESTED CITATION (25 words or less):

**Please attach the nominee's current curriculum vitae and publication list, as well as the two letters of support (the nominating letter and one seconding letter).**

---

\* To be eligible for any of the PHYS Division awards the nominee must be a member of the Physical Division of the ACS and, in the case of the established-scientist awards, may not have received a national award from a professional society based on his or her scientific accomplishments. Members of the National Academy of Science are also ineligible for these awards. For the early-career awards, the nominee must be in the first ten years of his/her independent scientific career.
